THE BRAND

Origin, purpose, values, territory and voice

THE ORIGIN

BEYOND THE VISIBLE

Velum begins with a simple idea:
there is always something beyond what we can see.

THE VEIL

What separates the visible
from what lies behind.
Curiosity and discovery.

Like a veil between two worlds, Velum stands for the curiosity to discover
possibilities, connect people and turn opportunities into realities.
Each house in the group is a new direction, a new horizon.

THE SAIL

What catches the wind
and seeks a destination.
Movement and direction.

PURPOSE, VISION AND MISSION

WHY WE EXIST

01

PURPOSE

Discover what lies beyond and turn it into something that improves people's lives.

02

VISION

To be a reference group in the Caribbean: different houses held together by one standard.

03

MISSION

Build and run businesses that connect markets, cultures and opportunities.

VALUES

WHAT GOVERNS EVERY DECISION

01

CURIOSITY

We ask what is behind it before we decide.

02

JUDGEMENT

We would rather do less and do it well.

03

CLOSENESS

We deal with people, not with accounts.

04

AMBITION

We are not building a business; we are building an ecosystem.

05

RIGOUR

Clear numbers, clear processes, promises kept.

06

OPENNESS

Our perspective does not end at one market.

POSITIONING

WHERE WE PLAY

A multidisciplinary business group that connects opportunities, people, experiences and markets to create new possibilities.

COMPETES ON

Judgement and execution

Ecosystem and scale

Long-term trust

Customer experience

International outlook

DOES NOT COMPETE ON

Being the cheapest

Being the fastest

Volume without margin

Passing trends

Noise in communication

PERSONALITY

HOW IT SOUNDS AND HOW IT DOES NOT

IT IS

Visionary

Sophisticated

Entrepreneurial

International

Human

Ambitious

Curious

IT IS NOT

A space agency

Science fiction

A travel agency

A generic investment fund

Crypto or futuristic tech

A children's brand

Cheap «luxury» covered in gold

The celestial reference stays subtle: sky, horizon, trajectory, discovery. Never planets, rockets or galaxies.

BRAND TERRITORY

FIVE WORLDS OF OUR OWN

SKY

Height, changing light, dawn, atmosphere.

HORIZON

What can be seen and what cannot yet.

TRAJECTORY

Routes, flights, orbits, movement.

THRESHOLD

The veil, the step from one world to another.

CRAFT

Fine materials, detail, permanence.

MANIFESTO

There is a world behind every horizon.

A journey can become an experience.

A scent can become a memory.

A raw material can become an opportunity.

A space can become a destination.

An idea can become a business.

Velum exists to discover what lies beyond.

THE SKY IS THE LIMIT.

THE SIX HOUSES

ONE PARENT BRAND, SIX HOUSES

We do not say «we own a travel agency, a perfume house and a property firm».

We say: we create connections between different worlds.

VOICE AND TONE

HOW WE WRITE

Inspiring, sophisticated and close. We speak with vision, confidence and purpose; we never need to shout to establish value.

BETTER

«*There is a world behind every horizon.*»

WORSE

«We are leaders across multiple industries.»

BETTER

«*A space can become a destination.*»

WORSE

«360° end-to-end solutions.»

BETTER

«*Six houses, one standard.*»

WORSE

«Synergies across our diversified portfolio.»

RULES

- Short sentences. One idea per sentence.
- No empty superlatives, no corporate jargon.

- Concrete before abstract: an example beats an adjective.
- The name is written Velum, never VELUM in running text.

02

IDENTITY

Logotype, construction, lockups and misuse

ANATOMY OF THE LOGOTYPE

THREE PARTS, ONE SIGNATURE

01

THE V

Velum, vision and ascent: two strokes rising towards the sky.

02

THE STROKE

The veil and the sail. Orbit, horizon, flight path, road.

03

THE STAR

The destination behind the veil.
Always gold, always one.

The logotype is closed artwork, not a font. The stroke exists in no typeface: always place the master vector from 01_Logo/SVG.

CONSTRUCTION

GEOMETRY OF THE MONOGRAM

56 : 39

1x = height of the star

Monogram proportion 56 : 39. It is never redrawn or rebuilt: use the master file.

LOCKUPS

WHEN TO USE EACH ONE

PRIMARY

Horizontal, with descriptor.
Web, stationery, advertising.

MONOGRAM

Only the V, stroke and star.
Seal, favicon, avatar, engraving.

SEAL

Monogram in a circle.
Social profile, wax seal, cap.

HOUSE SIGNATURE

Logotype plus the house name.
Every division signs this way.

CLEAR SPACE

AIR AND MINIMUM SIZE

CLEAR SPACE

No element enters the margin «x», equal to the height of the star.

MINIMUM SIZE

Primary · 180 px / 40 mm
Monogram · 32 px / 10 mm

The logotype is always used whole, with stroke, star and descriptor in their original proportion.

COLOUR VERSIONS

WHICH VERSION ON WHICH GROUND

Seven versions. The logotype never carries more than one colour, no gradients and no outline.

MISUSE

WHAT WE NEVER DO

DO NOT DISTORT OR STRETCH

DO NOT ROTATE OR TILT

DO NOT RECOLOUR

DO NOT ADD SHADOW OR EMBOSS

DO NOT SEPARATE THE ELEMENTS

DO NOT PLACE ON LOW-CONTRAST GROUNDS

THE MONOGRAM

THE SMALLEST ASSET

The V with its stroke and star is the only asset that works below 32 px.
It is used for favicon, avatar, seal, cap and engraving.

FAVICON AND APP

16, 32, 48, 64, 180 and 512 px in blue, white and gold. A packed favicon.ico is included.

COLOUR

PROPORTION AND PAIRING

HOW IT IS SHARED OUT

60%	BONE WHITE	Surface. Ground and negative space.
22%	VELUM BLUE	Anchor. Type, panels and signature pieces.
10%	CREAM	Warmth. Labels, cases, soft panels.

PAIRINGS THAT WORK

CONTRAST AND ACCESSIBILITY

WHAT CAN BE READ

Every text pairing is measured. AA = 4.5:1 for body text;
AAA = 7:1; AA-Ig = 3:1 and only at 24 px or above.

Grey	6.3	2.4	3.4	5.2	1.8	2.4	

Forbidden pairings

AA-Ig (3.0 – 4.5)

Velum Gold fails AA on bone (2.0:1). As text on a light ground use

Deep Gold #B8912B: Velum Gold stays for graphics, rules and the star.
